

THE MOODY EXECUTIVE INSTITUTE presents
AN EXECUTIVE LEADERSHIP DEVELOPMENT PROGRAM

Dear

The Moody College of Business proudly announces the creation of The Moody Executive Institute, modeled after similar programs at Harvard and Wharton schools of business.

In partnership with The Training Source, we are also pleased to announce the Institute's Executive Leadership Development Program, a five-month-long event limited to only 14 Chief Officers, customized to their individual positions and needs.

We invite you to select someone from your leadership team who you would like to see expand his or her visionary skills. By nominating a candidate, you are not only providing an opportunity for advanced leadership development within your organization, but a tangible benefit to that worthy individual as well.

Inside the accompanying document you will find additional details. Please contact either of us directly for further information about this exclusive program.

Sincerely,

JOBY JOHN, Ph.D.
